Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following amendment of the Council of Fresno County of Governments' (COFCG) 2004/05-2009/10 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
2	State, Local and Transit Elements <ul style="list-style-type: none">• Adds or modifies various projects in Fresno County. The projects included in this amendment are funded from the Regional Surface Transportation Program (RSTP), Congestion Mitigation and Air Quality (CMAQ) program, National Highway system (NHS), Transportation Enhancement Activities (TEA) program and Railroad/Highway At-Grade Crossing Program. See enclosure.

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment No. 2 for inclusion into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only.

The updated programming is for project types that have been found by COFCG to conform to applicable air quality regulations. Therefore, this FTIP amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included and

submitted by COFCG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

In accordance with existing law, public involvement procedures are a part of the project selection process. COFCG prepared this FTIP amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,
